- Bone Folder [102300]
- SNAIL Permanent Adhesive [104332]
- Glue Dots [103683]
- Stampin' Dimensionals [104430]

**Project Recipe:**

1. Fold Note Card in half and burnish with Bone Folder.
2. Cut a piece of Petal Garden DSP 4 3/4" x 3 1/4" and another piece 3 3/4" x 3 3/4".
3. Rub Embossing Buddy at the top of large piece of DSP.
4. Ink "hello" stamp using VersaMark ink and stamp on the top 1/3 of DSP.
5. Sprinkle white Stampin' Emboss Powder on top of ink and shake off any excess powder.
6. Set powder using Heat Tool. Be sure not to overheat because the powder will burn.

7. Adhere smaller piece of DSP underneath stamped sentiment.
8. Wrap 1/8" Sheer Ribbon around DSP panel and tie a simple knot. Cut tails to desired length.
9. Stamp two leaf images on scrap piece of Old Olive cardstock using Old Olive ink.
10. Punch out using coordinating Blossom Builder Punch.
11. Take a Bone Folder and create dimension with the leaves.
12. Adhere the leaves using Mini Glue Dots and place them underneath the knot.
13. Adhere panel to card front using Stampin' Dimensionals.
